EROS GARDEN, CHARMWOOD VILLAGE, DELHI-SURAJKUND ROAD, FARIDABAD - 121009

Dear Parent,

Date : 23.05.2017

It is a known fact that every child learns at his/her own pace. Nobody can force a child to master a skill which is not commensurate to his abilities. In reality, there are children who fall behind in their basics and advancement of the subject which is not fully understood by them due to various reasons. This requires an effective collaboration between the school and the parents.

For the same, we are pleased to inform you that Manav Rachna International School, Charmwood has come up with an initiative called “**P-Gurukul**” wherein we request the parents to come forward and volunteer for 2-4 hours in a week between 8:00am to 2:00pm for strengthening the basics of literacy (Hindi+English) and Numeracy (Math). In the academic year 2016-2017 few children from primary school were attached with 3 volunteers and positive results were seen.

Timings can be worked out as per your convenience after an orientation session. **Please send in your names latest by 29/06/2017 along with the consent form attached herewith on the given E-mail Id:**

You can work with any of the following groups:

1. Primary school 1 (Grade 1 to Grade 3)
2. Primary school 2 (Grade 4 and Grade 5)
3. Middle school (Grade 6 to Grade 8)
4. Secondary school (Grade 9 and Grade 10)
5. Senior Secondary school (Grade 11 and Grade 12)

Kindly note that these levels are fluid i.e. if a child completes one level, he will be sent to the next level immediately.

Let us join hands for a better tomorrow.

Soliciting full cooperation.

Thanks,

Principal
