About the School

MRIS 21C Faridabad is a place where wholesome growth is ensured along with educational excellence in a safe and secure environment, making it 'The Perfect Start'. The school is a proud recipient of the coveted 'The Best Middle School of the City' award, besides many other to its credit, such as the award for 'Academic Excellence' and 'Best in Teacher Quality'.

1. Building of skills and competencies through innovative pedagogies, experiential opportunities and well-orchestrated implementation of strategic planning.
2. Learner centric education with integration of Sports, Visual and Performing Art.
3. High impetus on soundness and veracity of life skills and values.
4. Inclusive education to inculcate a robust humane value system through leadership programmes and community service.
5. Strong blended curriculum to enhance cognitive, affective and creative development.
6. Fostering conceptual understanding, igniting curiosity and promoting multilingualism.
7. Broadening students' horizons by providing global exposure.
8. Developing and offering relevant, high-quality learning content supported by differentiation that meets the diverse needs of every single student, keeping their area of intelligence and interest in mind while making them strive for excellence.
