## About the School

MRIS Sector 46, Gurugram is a place where educational excellence meets a holistic approach. Our lush campus fosters an environment where students not only learn but thrive, creating a foundation for a successful future.

A multi disciplinary approach that equips students with the right blend of skills such as problem-solving, critical thinking and time management.

Our pedagogy involves the inclusion of the latest educational methodologies including essential life skills and values to nurture the holistic development of every child.

Extensive & Integrated Curriculum that caters to the individual needs of every student.

Incorporation of latest educational innovations and pedagogies

Concept driven to focus on key 21st century learner skills

Inclusive education supported by a robust SEN Department

International Partners for read aloud and bookmark exchange across USA, Russia, Canada, Hungary and Lithuania.

Future Skills and Sustainability program
