About the School

Manav Rachna International School, Charmwood, Faridabad where the learners not only explore their academic skills but also develop a greater depth of skills and apply their knowledge to meet the demands of our changing socio-economic landscape. The learners are exposed to diverse learning landscapes and introduced to many activities and knowledge pursuits.

A multi disciplinary approach that equips students with the right blend of skills such as problem-solving, critical thinking and time management.

Our pedagogy involves the inclusion of the latest educational methodologies including essential life skills and values to nurture the holistic development of every child.

Extensive & Integrated Curriculum that caters to the individual needs of every student.

Incorporation of latest educational innovations and pedagogies

Concept driven to focus on key 21st century learner skills
