

MANAV RACHNA INTERNATIONAL SCHOOL

Affiliated to CBSE with International Accreditation

VISION

"To emerge as the best choice in education, globally"

"To put the child at the heart of learning so as to become (enabling) transformational leader through understanding, knowledge and skills, which can drive innovation to shape a better future for all..

To generate integrated focus on academics, services, supports, and opportunities that will lead to improved student learning, stronger family bonding and healthier communities."

MISSION

To develop a child holistically by emphasizing on his physical, cognitive, emotional aesthetic, social & spiritual needs.

To emphasize on total personality development, conceptual ability and skill development through its own exclusively developed and structured curriculum and very methodical curriculum transaction.

To provide freedom and space for individual expression & growth to become self-reliant, self motivated & a confident human being.

To provide exposure to latest technology and learning techniques and interaction with the best of resource people will be the prime concern.

Ludhiana – Toddlers to Grade XII

TRANSFORMING EDUCATION,
KEEPING THE LEARNER
AT THE CENTRE.

SILVER JUBILEE OF KNOWLEDGE EXCELLENCE

Manav Rachna Educational Institutions have been founded in 1997, The institutions have the coveted NAAC 'A' grade status, catapulting MREI to the big leagues of higher education. With time, we have evolved into an array of institutions offering professional degree and higher education programmes and Secondary and Higher Secondary Schooling and more at a Deemed to be University, a State Private University, Dental College, 8 Schools and Kunsapsskolan schools pan-India.

It is with pride and pleasure we announce that Manav Rachna has crossed a silver jubilee of excellence in knowledge. Across time, we have together crossed many milestones and landmarks of excellence. Manav Rachna has with time, acted as a:

MANAV RACHNA INTERNATIONAL SCHOOLS

Schools for the future with Indian mind and soul

"Excellence does not happen; it is the result of our sincere, consistent and mindful efforts."

This is the underlying belief that is clearly reflected in all Manav Rachna International Schools, be it the state-of-the-art infrastructure or a rigorous blend of curriculum. We help the child to identify his own potential, nurture his innate abilities and thus create a happy individual by providing a safe and conducive environment which optimizes both, the 'development' and 'delight' quotients. Being a futuristic and progressive school, Manav Rachna has adopted many innovative practices that help the child in addressing the current and future challenges.

We create self-directed, independent learners who are equipped with global values, beliefs and life skills to grow into responsible and responsive human beings.

EARLY YEARS @ MANAV RACHNA

FLEXIBLE, JOYFUL, PLAY BASED, EXPERIENTIAL CURRICULUM

Flexible curriculum, along with engaging and hands-on activities ensures that children are successful learners.
Experiential curriculum enables children pursue their own areas of interest and try their hands at problem solving
Involvement in hands-on activities stimulates a child's drive for exploration and discovery.
Play is encouraged to equip children with skills for life- emotional intelligence, social wellbeing, communication, collaboration, problem solving, creativity and strengthening of fine and grass motor skills.

FOCUS ON SOCIO EMOTIONAL WELLBEING AND LANGUAGE DEVELOPMENT

A strong Social and Emotional foundation in early childhood impacts emotional regulation, social relationships and higher cognitive abilities in later years
Teachers active agents in nurturing social competence & emotional balance
Pretend play, circle time, small group interactions and activity based learning enable children to enhance linguistic skills and express feelings, thoughts, respect opinion of others and develop social skills
Soft skills curriculum helps children in regulating their feeling, generate empathy and sensitivity

PRE CODING INTEGRATION

Early coding or pre-coding, offers children experiences that integrate communication, thinking, and problem solving.
Coding or 'new literacy' a growing prerequisite in the digital world is introduced in analog form in the early years
Pre coding skills like understanding systems, patterns, instructions through role play, games, puzzles, stories and activities are introduced
Parents are kept abreast of the objectives and methodology for extending the thinking skills at home
Personalized Inclusive & Equitable Opportunities

- Inclusive learning provides all students with access to flexible learning choices and effective paths for achieving educational goals in spaces where they experience a sense of belonging.
 - In our inclusive education environment, all children, regardless of their abilities learn together in the same age-appropriate classroom.
 - Early intervention is provided and individual learning program created to take students through a classroom readiness program with continued inclusive support thereafter
 - Researched Educational Pedagogy followed- by experienced and trained teachers
 - Learning centre approach involves constructivist, inquiry based, reflective, collaborative and integrated form of learning.
 - Motivating and enriching environment where the children observe, inquire and learn by doing.
 - The teacher acts as a facilitator kindling and training minds to think and become lifelong learners.
- Classroom environment, with various resources, encourages the child to learn on their own and as well as from peers.

RECOGNIZED AMONG THE BEST

- Ranked No 1 for Innovative Teaching by Education Today.
- Ranked No 3 at the National, No 1 at the state, No 1 at the district level among India's Top 20 CBSE schools by Education Today.

Conceptual Learning through Reasoning, Exploration, Skill & Technology (CREST)-Inter Disciplinary Curriculum (Science & Social Science)
Inquiry based CREST with its effective instructional child centred strategies, gives children opportunities to learn through Experimentation, Investigation, Demonstration and Application.

Taking its learning approach to the next level, MRIS has integrated its unique features into a more holistic program named Future Skills & Sustainability (FS & S). Based on E 2030 Position Paper on the Future of Education and Skills, OECD, The Future of Jobs Report 2020, World Economic Forum, UNESCO – Future of Education Initiative and NEP 2020. The program is implemented through different verticals of Tinkering, Coding & Technology, Media & Design and Agri Tech. Tinkering projects which link UN Sustainable Development Goals and STEM activities primarily incorporate design thinking, design solutions, industry connect innovation, entrepreneurship and create awareness about the social, economic, environmental and climatic concerns and think of solutions.

YOUNG AUTHORS FELT PEN (YAFP)

This MR Mentors supported program, identifies and nurtures young writing talent to be published authors. The learning journey from the inception of the idea to the release of the book is fun filled and challenging.

NO CHILD LEFT BEHIND (Inclusive Education)

Our special educators work closely with educators and bridge gaps between classroom learning and student challenges by offering Individual Education Plans (IEPs)

MULTIPLE SUBJECT OPTIONS in SENIOR SCHOOL

Demarcation of subjects & streams at MRIS is diffused as students at +2 level can choose from a variety of subjects available.

LIFE SKILLS & CAREER DEVELOPMENT (LCDC)

The LCDC program works closely with students from Grade VIII onwards. Its unique features include-

- A balanced blend of life skills
- Informed career choices
- Comprehensive psychometric testing
- Student profiling
- Portfolio building
- Industry education and connect
- University advisory

OUR BRAND PARTNERS

WORLD-CLASS SPORTS FACILITIES

Sports are an inherent part of the curriculum at MRIS and meet the psychological, physiotherapy and sports training needs of students. The Manav Rachna Sports Academy (MRSA) and Manav Rachna Shooting Range (MRSA) nurture students' sporting talents. Manav Rachna has collaborations with global companies like Taylor Made, Yonex, Stag and Arsenal, Suis Accor, Perazzi to name a few. MRSA also has a state of the art shooting range with electronic targets. There are facilities for indoor (Shooting, Chess, Carrom, Gymnastics, Badminton, Table Tennis) and outdoor (Swimming, Taekwondo, Skating, Tennis, Basketball) games facilities. Specialised coaching via International/National coaches is also provided. MRSA is structured in four tiers-Technical, Identification and Recruitment, Medical Physiotherapy & Rehabilitation and Sports Science.

COMMUNITY CONNECT- LOOKING BEYOND

Education is all about transformation. MRIS Schools have always made conscious effort to touch the community through various initiatives – food, plantation, cleanliness, blood donation drives and more. During the pandemic, MR institutions spearheaded the vaccination drive through mega camps in their college and school campuses. These helped generate awareness and vaccinated many. A 20 bedded fully equipped medical facility was created in the university campus. The entire MR family pooled in resources to enable the community seek medical help and support for affected people. Teachers responded by joined the Teacher on Call Program (under Dr. O.P. Bhalla Foundation) to further help students.
