PRINCIPAL'S DESK

THE FUTURE BELONGS TO THOSE WHO BELIEVE IN THE BEAUTY OF THEIR DREAMS.

We believe in a joyful experiential learning system wherein, each child is encouraged to participate wholeheartedly! At MRIS, we leave no stone unturned to offer multitudes of opportunities to our children to polish their skills and to be involved in the educational journey. The pandemic has forced us to continue with the formal education on the virtual platform. We are glad that we have been able to implement, deliver and take forward the curriculum successfully during the tough times. Even on the virtual platform the zeal and vigor exhibited by the facilitators and our dear students is matchless.

Consistent focus on the holistic growth of the children by motivating them to accept the challenges that come their way and flourish successfully is an essential attribute of the institute. Exposure to the latest technology and learning techniques and interaction with the best of resource people is the prime vision of the school. The educators also build spirits of inquiry, creativity, critical thinking, entrepreneurial, and leadership qualities among the students. The team of fabulous faculty members displays boundless energy and intense commitment which keeps the ethos of our school shining brightly.

We endeavor to transform the upcoming generations to responsible citizens taking the ownership of a glorious country and a prospering World. Let's together make this World a beautiful place to live.

FELICITATION CEREMONY (GRADE XII)

"THE ADVENTURE OF LIFE IS TO LEARN, THE PURPOSE OF LIFE IS TO GROW, THE NATURE OF LIFE IS TO CHANGE, THE CHALLENGE OF LIFE IS TO OVERCOME, THE ESSENCE OF LIFE IS TO EXCEL, THE BEAUTY OF LIFE IS TO CELEBRATE."

GOODBYES ARE NOT EASY

Manav Rachna International School, Ludhiana organized a felicitation ceremony for the students of Grade XII (2020-21) on 6th August 2021. The felicitation ceremony was not only a celebration of the achievements of the students but also a jubilation of the efforts and hard-work put in by the parents and teachers.

The ceremony began with seeking the blessings of God almighty led forward with felicitations by teachers of Grade XII. Then it was time for some fun and frolic followed by the felicitation of the students.

The principal, Ms. Anju Dhawan, made a heartfelt address she congratulated each one and blessed them with wishes of a brighter future. Along with her blessings, ma'am also awarded all the students for their unmatched efforts and sheer diligence.

GRADE X RESULT

"THE FRUITS OF HARD WORK ARE SWEETER THAN THE SWEETEST OF NECTARS."

"You can never be proud of rewards that are a result of luck or good fortune. But you can hold your head high and be proud of rewards that are a result of working hard."

Manav Rachna International School, Ludhiana, has once again given a phenomenal board result of grade X, 2020-21 batch. The diligence and perseverance of the students and the faculty is evident from the 100% pass result.

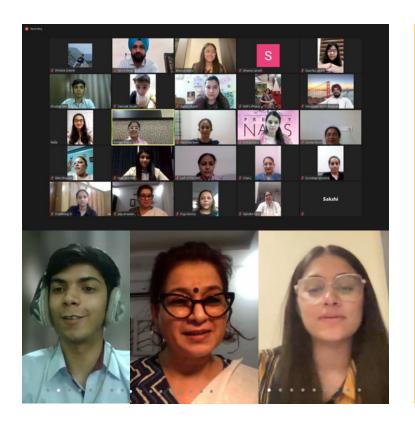

MRIS aspires to continue the sojourn of Achievements laced with intricate web of triumphs. Looking forward to accomplishing many more milestones.

CANDID SERIES

ENTHRALLING WEEK-LONG SERIES OF INTERACTIVE SESSIONS

BUDDING ENTREPRENEURS

We at MRIS, Ldh, believe in giving maximum exposure to our young learners to hone their skills. We are a progressive school wherein we strive hard to provide various platforms to our students for interactive and engaging learning. To motivate our young learners through inspirational and aspirational talks, an event "Budding Entrepreneurs" under the Candid series was organized on Monday, July 5, 2021.

The event started with our fervent anchors who introduced all the panelists to the audience. These panelists were the young and enthusiastic entrepreneurs of our own city-Ludhiana, belonging to different set of professions.

MEDIA- A MIXED BLESSING

We, the team of MRIS firmly believe in uniqueness and this is why we came up with the Candid Series, Season 1, live-talk sessions to interact with people of cadre. This engagement has not only augmented the confidence in the students but has also incited in them a zeal to face the future and make the most of it.

"Whoever controls the media controls the mind". The talk series on 'Media- a Mixed Blessing' was a big hit, all because of the participants and the speakers. As moderators, Parineet Kaur, Myra Bansal and Samaira, diligent students of our school, did a commendable job in keeping the viewers and panellists at edge. As our panellists, Dr. Shivani Behl, Ms Pooja Mehta, Ms. Isha Vashisht, Mr. Vivek Sharma, Mr. Sudhir Chopra, Mr. Chitwan Kaur and Mr. Saksham Arora, all noteworthy individuals in their fields apprised the audience with their perspectives regarding media.

Importance of Netiquette

With the advancement in technology and increased accessibility of the internet, where unwritten online rules are constantly changing; proper netiquette may seem hard to implement. When you engage with others online, treat them the way you would want to be treated. This brings us to netiquette.

Not only did the experts apprise the audience with their supreme knowledge and experiences but the moderators also swooped everyone with their confidence.

Age Limit for driving

In order to bring out awareness among people and incorporate safety measures and precautions especially for the teenagers, MRIS Ludhiana conducted an Interactive Session on THE AGE LIMIT FOR DRIVING on a Digital platform on for the parents and students.

The guests of Honour and the eminent speakers for the evening were from all over the city, from different walks of life who had joined in the Virtual Talk show to share their valuable suggestions on the upcoming scenario and rash driving on the roads by the young children which is frequently happening these days.

2021-22

INVESTITURE CEREMONY

"Leaders become great not because of their power, but their ability to empower others."

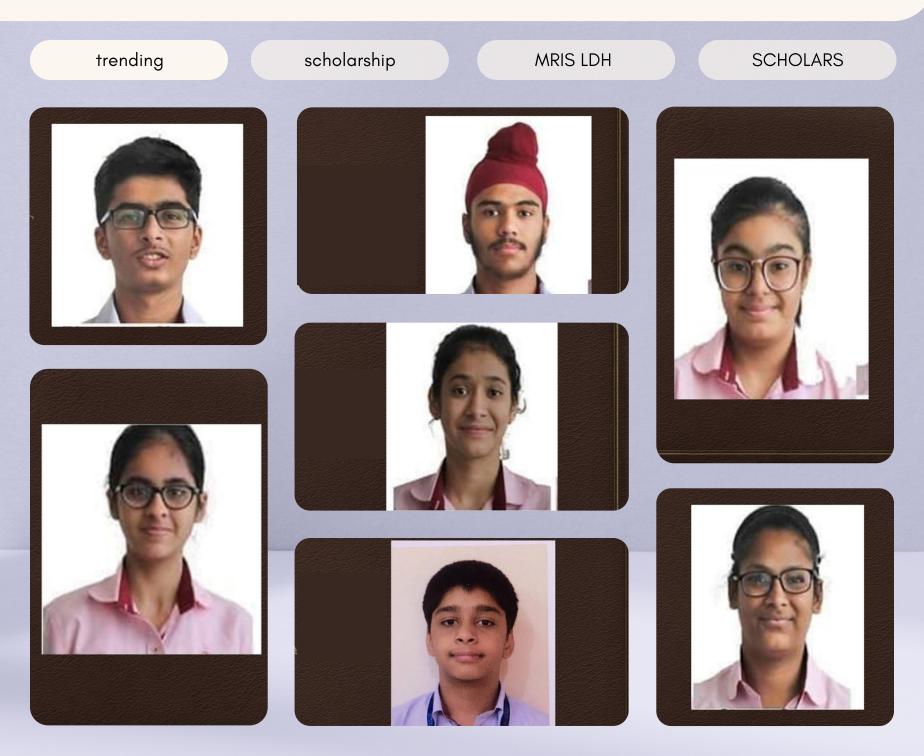

-John Maxwell

Students of today are visionaries and torch bearers of tomorrow and Manav Rachna International School Ludhiana aims to ignite the hidden potentialities of its treasured gems that lead them to the platform to prove their worth.

INTER-SCHOOL DECLAMATION COMPETITION

An Inter-School Declamation Competition was organized by Gujrawala Guru Nanak Institute of Management & Technology and Gujrawala Guru Nanak Public School, Ludhiana on 25 June 2021. Many students from varied schools and institutions took part in the same.

MRIS, Ldh takes immense pleasure in announcing that Rizakpreet Kaur of Grade XII who took part in the competition bagged the third position in the English category. She received a trophy as well as a Certificate of Appreciation for the same. The topic she spoke on was close to her heart, "Missing to be at My School Campus". She was elated while sharing her experience with us. The event according to her, was well organized and crisp. It takes great effort to muster up all of one's courage and eloquently speak in front of an audience.

SHOOTING STAR

Somya Gupta, a student of Grade X of Manav Rachna International School, Ludhiana brought laurels to school by bagging three Silver Medals in the categories-#Peep Sight Air Rifle Woman Individual #Peep Sight Air Rifle Junior Woman Individual # Peep Sight Air Rifle Youth Woman Individual during the 55th Punjab State Shooting Championship, held at Mohali. She has been selected to showcase her skills further in the Pre National Shooting Championship to be held at Jaipur.

The school Principal, Ms. Anju Dhawan congratulated the talented shooter and said that her achievement was certainly a moment of glory for #MRIS, Ludhiana. She also congratulated the teachers, under whose guidance and assistance, Somya could make a mark in the field of shooting.

SUBJECT ENRICHMENT ACTIVITIES

"ART WASHES AWAY FROM THE SOUL THE DUST OF EVERYDAY LIFE."

An activity based on different folk arts of India was conducted for the students of Grade V to make them aware of the diverse rich cultural heritage of our country. The students enthusiastically participated to design pictures, pots, wall hangings etc. to depict various forms of folk arts such as Warli ,Gond ,Madhubani and Pattchitra. These videos shared by students expressed the origin and highlighted the significance of these various art forms. They enjoyed painting their own canvas of imagination creatively. It was a fun filled learning.

PRACTICE MAKES PROGRESS

Factor tree activity was done with grade 5 students to enable them to identify prime factors of a whole number by using a strategy or a tool called factor trees that breaks down any number into its prime factors. Students created and demonstrated their factor trees through a video which shows the numbers that come together to create a larger number and it branches out as it progresses because each resulting factor then gives way to its own factors. It was a fun filled learning by creating experience for the students.

LET'S MAKE THINGS FLY

The students were made familiar with the terms like- Drag, Lift, thrust and Gravity. They were able to identify these forces by making their own working models of a Catapult and O wing gliders. Using the easily available craft material like sticks, craft paper, rubber bands, plastic spoon etc.

They discovered new ways to explore the movement of objects. They even tested their models by doing simple modifications in their designs.

Overall it was an exciting learning experience for the students to upscale their abilities.

BASTILLE DAY

The national festivals speak a lot about the gifts offered by the ancestors... the more we learn, the richer we become. A virtual trip was organised to enlighten the students about - Bastille Day..

ELOCUTION

"SUCCESS IS WHERE OPPORTUNITY AND PREPARATION MEET."

The voyage of victory has always been assiduous at MRIS LDH, thereby grounding the students to accept new challenges and pathways in the course of their journey towards success. To compete hard and emerge victorious in all their struggles towards success has constantly motivated them to perform exceptionally well in all competitions.

An exclusive addition to the array of victories at MRIS, Mahira Vashisht and Aarav Kalra have brought laurels to the school by securing positions in My Thoughts, My Voice- an ELOCUTION CONTEST for MRIS students. The toil and determination under effective guidance shaped the trainees into a defending champion.

Principal Ms Anju Dhawan congratulated the proficient speakers to work hard, accept challenges and transform themselves into a tough competitor and a blessed title holders.

" Everything you can imagine is real "

Manav Rachna International School, Zudhiana believes that learning the art and crafts doesn't just foster the creative development of a child, but also assists in advancing and refining his or her core skills. To enhance the creative and imaginative skills, Paper carrot craft activity was conducted to give an opportunity to children to form new ideas through exploring, discovering and imagining. This activity has encouraged innovation and strengthened visual learning in a fun way. To add more to the learning, this activity was integrated with the concept of quantification and colour recognition. The Young learners wholeheartedly participated with full zeal and enthusiasm.

"What we learn with pleasure, we never forget."

The students of Grade IV were provided with a chance to embellish their wings of imagination with creativity and design an animal with unique features and also develop a classification system for this animal. They used their creative skills and created different types of unique, amazing animals by applying their knowledge about the classification of animals.

IMPORTANT DATES

RAMBLING THE NATURE

We at Manav Rachna International School believe that the greatest approach to teach is to provide a platform for kids to grow and flourish. To underline this, students in Nursery were taken on a Nature Walk with the help of their parents, where they examined various plants, flowers, and trees. The excitement of touching the plants and flowers and getting a feel for them was a sight to behold.

Our children gathered dried leaves, twigs, and leaves to make some amusing faces, creatures, and insects using their imaginations. It was explained to them that we should take care of our natural surroundings. With this in mind, they designed a bird feeder with zeal and enthusiasm. It was an amazing learning day for our small ones, with an emphasis on learning

COMMUNITY HELPERS

We, at MANAV RACHNA INTERNATIONAL SCHOOL LUDHIANA, truly acknowledge the fact that each child is a unique individual and must be nurtured and encouraged to develop his/ her potential. Thematic learning is an innovative approach to education which stimulates thinking and has an ever lasting impact. The academic syllabus covered along with the numerous co-curricular activities done in and outside the classrooms are presented in an animated way on the virtual platform. An activity on Community Helper was conducted in Grade II where in students presented themselves as various community helpers and shared the importance of them in their lives. They wondrously described the value of community helpers to our community.

TOPSY TURVY CORNER

We, at MANAV RACHNA INTERNATIONAL SCHOOL LUDHIANA, truly believe in the holistic development of the child. To make a connect between what they study and what they gain , different activities are conducted. An activity on Topsy Turvy corner was organised in Grade III after the completion of poem Topsy Turvy Land.

Our young learners from Grade 3 participated in the activity with full zeal and zest. They arranged one corner of the room in a topsy turvy way. This activity gave them the opportunity to come up with their creative ideas. They presented themselves to be one of the character living on that land.

The whole objective was to apprise our students of the significance of poetic freedom. It was a perfect blend of creativity, laughter and precision.

CREST is a curriculum at MRIS LDH that provides ample of chances to the young learners to explore and discover. Inquiry based learning is the key feature of this curriculum. Students of Grade 4 and 5 showcased their learning through various activities.
