Dedicated to 'Creating Better Human Beings' Manav Rachna Vidyantariksha

Dr. O.P. Bhalla, a visionary and dynamic educationist dreamt and shaped an educational movement called Manav Rachna, surging ahead passionately with the intent to create better human beings - the name which shelters under its strong wings the ever-growing branches of Manav Rachna Educational Institutions, transforming the ocean of knowledge into different tributaries of education.

Dr. O.P. Bhalla's rich legacy is a standing testimony of excellence at work, the fragrance of which continues to inspire us forever and will also keep motivating us in the decades to come to strive always for the best.

Chief Patron's Message

We believe in innovation, experiential, and skillbased education. MRIS strikes an equilibrium between traditional values and modern outlook to deliver holistic education and paves the way for integrated personality.

MRIS makes learning an amicable and enjoyable experience by implementing an integrated approach with the right blend of academic, extracurricular, sports, and other activities aligning with international standards. At MRIS, we envisage the path for our learners to surge ahead of academics and embark upon a plethora of innovative skills.

I am assured and confident that with our 26 year legacy, our sincere efforts, our dedicated faculty, and the cooperation of the parents, MRIS will emerge as the World Leader of excellence and eminence in education. I welcome all for a physical or virtual tour of our campuses to savor the brilliance of excellence.

My blessings,

Ms. Satya Bhalla, Chief Patron, MREI

WELCOME TO MRIS

We are delighted to have you here.

Here at MRIS, our vision is to emerge as the best choice in education, globally. We consistently work towards it by putting the child at the heart of learning and forging a transformational journey in his/her understanding, knowledge and skills which can drive innovation to shape a better future for all.

We strive to build an integrated focus on academics, services, sports, and opportunities that will lead to improved student learning, stronger family bonding, and healthier communities.

Fostering the Future.

At Manav Rachna International School

SCHOOL SPECTRUM

MRIS Sector 14 Faridabad - Toddlers to Grade 12, **MRIS Sector 21C Faridabad** - Toddlers to Grade 8, **MRIS Charmwood Faridabad** - Toddlers to Grade 12, **MRIS Sector 46 Gurugram** - Nursery to Grade 12, **MRIS Sector 51 Gurugram** - Toddlers to Grade 10, **MRIS Sector 51 Noida** - Toddlers to Grade 12, **MRIS Ludhiana** - Nursery to Grade 12, **MRIS Mohali** - Nursery to Grade 12

WE STRIVE TO

- Develop a child holistically by emphasizing on his physical, cognitive, emotional aesthetic, social & spiritual needs.
- Emphasize on total personality development, conceptual ability, and skill development through its own exclusively developed and structured curriculum and very methodical curriculum transaction.
- Provide freedom and space for individual expression & growth to become self-reliant, selfmotivated & confident human beings.

Every child at MRIS gets equal opportunities to identify their full potential, with a focus on holistic development where a special emphasis is laid on academic excellence. Our purpose is to provide a safe, secure, and learning focused environment to the learners and educators to ensure that the students are equipped with global values, beliefs, and life skills to become competent and responsible human beings.

INDIAN SCHOOL RATINGS

INNOVATIVE LEARNING ARENAS AT MRIS

Manav Rachna International Schools have a challenging, comprehensive curriculum with global dimensions that accommodates the diverse learning needs of students and makes teaching learning a joyful experience for students and teachers. Age-appropriate learning opportunities supported with co-curricular activities and the most modern infrastructure lays the foundation of quality teaching-learning in all schools.

From tinkering and robotics to UN sustainability-based projects, students at Manav Rachna International School gain an edge over others.

Conceptual Learning through Reasoning, Exploration, Skill & Technology (CREST)- Inter Disciplinary Curriculum (Science & Social Science) ensures that MRites imbibe a well-rounded understanding of things around them.

Mediashala grooms students in mass communication, ethics, photography, photojournalism, scripting, blogging, radio and podcasting, anchoring and presenting video production, vlogging, digital media, graphics and web design, and citizen journalism.

Career and subject selection choices can be a difficult and challenging aspect of a student's life. The Life Skills and Career Development Program works closely with Students from Grade VIII onwards.

Our Young Author's Felt Pen Program identifies and nurtures young talent to be published writers and share their work with the world. The students work on short stories and poetry anthologies in English as well as Hindi.

SPORTS

Manav Rachna has made a name for itself for making sports integral part of its offerings to the students. In order to provide the best platform to engage in a variety of sports, MRIS has an exemplary sports academy that offers training in more than 20 Indoor & Outdoor Sports.

MREI was conferred with the prestigious 'Rashtriya Khel Protsahan Puruskar 2021' by the Hon'ble Former President of India, Shri Ram Nath Kovind, at the Rashtrapati Bhawan.

FOSTERING THE FUTURE

Manav Rachna International School, a dream envisioned and meticulously curated into reality by the Founder Visionary Dr. O.P. Bhalla has transformed into waves of excellence in the ocean of knowledge, encompassing curiosity, innovation and intelligence. His vision, belief and values are nurtured with the same gusto today which has resulted in 8 Manav Rachna International Schools that have come to be known for their state-of-the-art infrastructure, multidisciplinary teaching and imparting futuristic skills.

DRIVING INDEPENDENCE & SELF-SUFFICIENCY

Our students are self-directed, independent learners who are equipped with global values, and are adept at identifying their own potential by facing challenges, nurturing innate abilities, creating a happy personality by finding roots in a safe & conducive environment, and optimizing their 'development' & 'delight' quotients.

EVER EVOLVING

Incepted in 2006, the tree of Manav Rachna International Schools has spread its eight magnanimous branches in 5 cities across North India- Faridabad, Gurugram, Noida, Ludhiana and Mohali, dispersing its fruits of holistic education with a futuristic approach.

Being affiliated with CBSE curriculum with many International accreditations, Manav Rachna has committed itself to the cause of providing nothing but the best to nurture students into individuals who would not feel out of place in the future that awaits them.

We're glad you're here!

Director Principal's Message

The dynamic shifts in education and the growing needs of passionate young millennials craving an all encompassing learning experience have inspired us at MRIS Sector 14 to empower today's youth with exuberance that stems from the acquiring of skill sets and potentials along with providing for exemplary academic opportunities.

In keeping with the modern times, we also infuse traditional ethos that transforms our students and helps them nurture and uphold the righteousness of our rich culture thereby aiding the development of their cognitive, emotional and social abilities. Through constant, unflinching support of competent and seasoned educators, students are able to garner experience and a nonpareil competitive zeal to pursue life's goals with a perspicuous vision.

Ms. Mamta Wadhwa

Principal's Message

The inhabitants of MRIS 21C breathe happiness, and the smiles that fill the campus are just divine!

The understanding of the fact that every single individual is capable of learning, is a strong enough driving force to motivate us educators at MRIS 21C; into taking the initiatives enabling each one of them to learn after identifying the type of intelligence and designing customized instructional strategies mindfully. The Academic Enrichment Programme is quintessential to the campus as it aims to eventually create a private-tuition free environment.

And for this mission of ours, we start planning with excitement, optimism and momentum every year.

The inclusion of a strong Language Development Program, Future Skills & Sustainability, Life Skills and Media Shala is what forms the backbone of classroom teaching. The intense one on one approach makes the school space a comfort zone for all students, highly conducive for learning, and gives the educational program of MRIS 21C its unique flavour.

The deliberate decision to contain it to a Middle school is a reflection of the intent and attitude of being able to provide the best to the students in a safe and secure environment. The intent followed by action on campus is proven by the achievement of the Best Middle School of Faridabad award!

Principal's Message

'Believe you can and you're halfway there'.

As you walk through the portals of the School, you are sure to feel the warmth that this place exudes in its ecosystem.

We look forward to academic rigor, a holistic co-curricular plan for involvement of all pupils for skill enhancement and pursuance. Our meticulous planning will help systematize the learning patterns. I am sure that if we all learn not to procrastinate and use time productively we would gain on all fronts.

I wish to see all the pupils and mentor community to premeditate and follow planned goals for themselves for actualization of dreams and aspirations. We are ever evolving to newer domains to add better skill sets for all stakeholders. The parent community has always been very supportive and I am sure you would continue to contribute your valuable feedback with us from time to time. Feel welcomed to approach me with your queries and suggestions.

Principal's Message

The beauty that surrounds me is absolutely breathtaking—the happy faces of my children who carry immense possibilities. At MRIS-46 we believe that wider the range of possibilities we offer to the children, the more intense will be their motivations and richer their experiences. This in turn will go a long way in nurturing in them a lifelong passion for learning.

MRIS-46 strives to provide an outstanding 360 degree education to its student community in a safe environment. Apart from academic excellence, through multifarious activities and opportunities the school system focuses on character building, leadership building, development of artistic temperament, fostering sportsmanship, creating innovators and problem solvers of tomorrow while raising empathetic global citizens of the world.

MRIS 46 is a progressive school that continues to evolve with the changing times and equips itself to cater to the demands of the 21st century learner. The driving force behind the school's success is a strong, dedicated and forward thinking team of facilitators and the ever supportive stakeholders.

Principal's Message

Education is not just a process of giving knowledge for a future job but a lifelong process which creates an understanding of moral and ethical values to guide one's life in a right path. As a parent, you want the best for your child and we are proud to be working with you to ensure that they are given the right knowledge to face the future challenges. Parents, students and the school authorities are a team & we have to complement each other's efforts.

As the Principal of the school, I feel honoured and privileged to be a part of an educational institution where every stakeholder is a learner and every day is an opportunity to learn and discover. We look at ourselves as a community of learners, where everyone learns including our teachers, parents & staff.

Principal's Message

It is my honour to be leading the most vivacious and energetic school that offers a variety of platforms to the young students. Our vision is to create better human beings along with enhancing the 21st century skills of our students. The curriculum that we follow provides opportunities to the students to enhance their confidence, thinking abilities, and capabilities to accept the global challenges.

At MRIS we take pride in saying that we are an institution which is compassionate, safe and has inclusive spirit. We set extraordinary ethics and expectations for our students and support them to achieve high standards.

Every new entrant is provided with a buddy to ensure that he/she feels safe and has a sense of happiness and belonging. As we have relatively small groups per classroom, it creates an atmosphere where my students feel comfortable and at ease, therefore connecting them effortlessly with the teacher. We ensure that our students develop into mature, happy and responsible adults with strong ethics and value systems.

Ms. Nindiya Saket

Principal, MRIS Noida

Principal's Message

"The whole purpose of education is to turn mirrors into windows." -Sydney J. Harris

The role of education is to empower students to be lifelong learners, critical thinkers, and people of fine character and values. The ever-changing global dynamism demands children to be leaders with a global skill set. Our curriculum, pedagogy, innovative practices, and state-of-the-art facilities enhance students' learning experiences. Keeping pragmatic approach and skill development pivotal, our mentors create ample opportunities of growth for the children. Our students are tech-smart and are well-versed with the new-age competencies for which their mentors work hand-in-hand with them. All our activities promote safe and healthy lifestyle and contribute to sustainability and conservation of environment. Our students continue to get more creative and expressive in their performance tasks. At MRIS Mohali, children are nurtured to be responsible global citizens, who add value and give back to the society.

Principal's Message

The objective of education in the present times should undoubtedly aim to motivate and inspire the students to think intensively, explore immensely, analyze critically as they learn to take the knowledge gained a step further by applying it in multifarious situations or challenges faced by them. This is what progressive education is all about and this exactly the core philosophy behind the different educational strategies practiced at Manav Rachna International School, Ludhiana.

At Manav Rachna, we ignite young minds and relentlessly strive to provide a platform to them that is instrumental in transforming their unbridled thoughts into well contemplated actions thereby promoting their metamorphosis into confident, decisive, conscientious, empathetic and ethical global citizens of the global village. The dedicated and committed faculty members patiently work to identify the unique capabilities and skills of the students.

Ms. Anju Dhawan
