MANAV RACHNA INTERNATIONAL SCHOOL MOHALI (MRIS MOHALI RANKED THE NO. 2 CBSE SCHOOL IN TRICITY)

MESSAGE FROM PRINCIPAL

I cannot teach anybody anything; I can only make them think.

- Socrates

The swiftness and intricacy of changes in society has reinforced the need for teachers and educators to be more proactive and prominent in their contribution to the lives of children beyond classrooms. At MRIS Mohali, we believe the teachers are mentors for life, who are always reaffirming the confidence of the students and can have a positive influence on them, by walking together so that our students can become independent and make more informed decisions. Instead of being caught up in the ever changing winds of changes of school curricula, examination systems and educational policies, MRIS teachers keep innovating new ways of understanding knowledge by using powerful technologies and new patterns of integrated learning. Our students must know, their mentors at school are the people who believes in them and their potential, and will always stand with them, firm like a rock.

Ms. Taruna Vashisht Principal

A DAY BEYOND THE BACKPACK AT MRIS MOHALI: 01.7.2023

MANAY RADHNA

The Senior Wing at MRIS Mohali buzzed with excitement as students arrived, not with their typical backpacks, but with an assortment of unconventional containers. The air was filled with curiosity and anticipation, as children proudly displayed their unique choices of suitcases, buckets, duffle bags, and tote bags, filled with books. It was a day that showcased the students' ingenuity and breathed new life into the concept of going to school. It was heartwarming to witness the joy and pride on the faces of these young learners as they confidently embraced their unconventional choices. This unique day shattered the stereotypes associated with school life. It became evident that learning is not confined to the limits of a backpack. Instead, it can be a dynamic and multifaceted experience that extends beyond the confines of traditional norms.

WORKSHOP ON NCF 2023 AT MRIS MOHALI: 03.07.2023

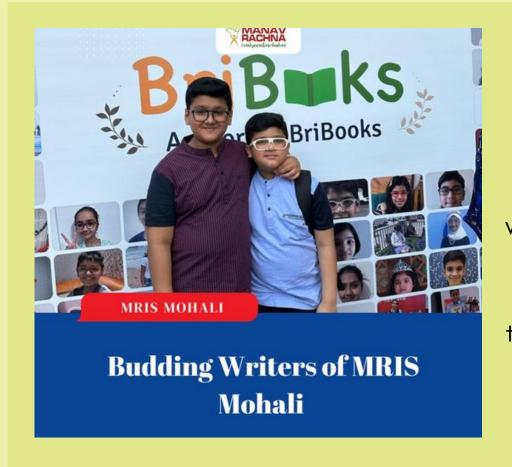

The teaching staff at MRIS Mohali sat down for an extensive and collaborative session today. The session covered the key points of the NCF 2023, reiterated about inclusive education and took us through the different teaching strategies that are in place at MRIS. The session on 'Inclusivity and Differentiated Learning' conducted by our School Counselor and Head Mistress resonated with each member of staff who were able to share the challenges faced in class and solutions thereof at length. The final session was a revision of the training sessions conducted as part of the Professional Development Workshop organised in school in the month of May where the teachers were taught about Inclusion and Differentiation, Storytelling as Pedagogy, Classroom Management and Session Planning, to mention a few. The sessions were well received and all the members of staff are fully equipped and charged for the children's return next week.

WELCOME TO STUDENTS AT MRIS MOHALI: 04.07.2023

The campus of MRIS Mohali reverberated with cheerful voices of students after they came back from their summer break. They were welcomed by their teachers with open arms and big smiles. Many fun activities were planned to surprise and energise them. Students were ensured that the remaining part of year will be like a treasure hunt. They'll be searching for knowledge, finding out about new things, and collecting memories that we'll cherish forever. They'll have fun with their old friends and make new ones too. They'll be painting, playing, reading, and learning so many wonderful things.

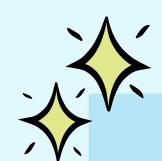

BUDDING WRITERS OF MRIS MOHALI: 05.07.2023

The Pant brothers of MRIS Mohali have proven their mettle in a writing challenge organised by Bribooks. They both participated in the summer book writing festival. Aatreya student of grade 3 bagged second position and Agastya student of grade 6 stood third in the State Challenge. As a reward money Aatreya received gift vouchers worth ₹2000/- and Agastya received ₹1500/- for their captivating stories.

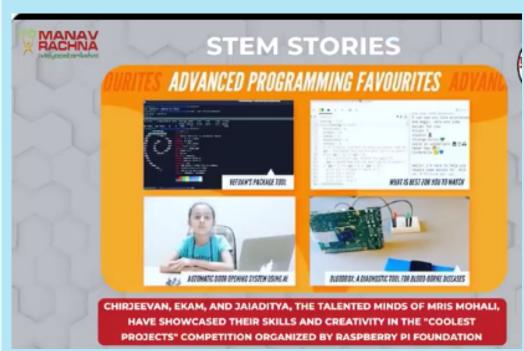

STEM STORIES: 08.07.2023

Meet our incredible students Chirjeevan Kaur, Grade 3, Ekam Kaur, Grade 8, and Jaiaditya Singh, Grade 8, MRIS Mohali shine in the "Coolest Projects" competition by Raspberry Pi Foundation. In the Agriculture category, Ananya and Narayani from MRIS Sector 46, Gurugram, Grade 7, received appreciation for their remarkable IOT-based plant monitoring system. Their projects are even showcased on their website. Anish Panda from MRIS Noida, Grade 7, for his incredible project "Recycling Match" which captivated everyone's attention. MRIS projects have been named the most innovative projects and received special appreciation from the judges. Let's celebrate their achievements and encourage them to continue dreaming big and making a difference!

MRIS PARENT PRODIGY SERIES:18.07.2023

The foundational Stage at Manav Rachna International School, Mohali, recently started with the 'MRIS Parent Prodigy Series'. For Episode 1 of the series, renowned dentist of Tricity and a member of MRIS parent fraternity, Dr. Prof. Preetinder Singh was invited for sharing valuable knowledge about dental hygiene with the little learners of Grade 1. Dr. Prof. Preetinder (BDS, MDS, MEDALIST) has been a professor at WAGRO UNIVERSITY, GREECE and UCAM, SPAIN. He is an acclaimed international speaker, PERIODONTIST & ORAL IMPLANTOLOGIST. The students were thrilled to interact with the guest parent and everyone shared their ideas on oral and dental hygiene. It was a very fruitful and interactive session for the children after which they were awarded smiley stickers for being good listeners and certificates for pledging to maintain healthy teeth by adopting healthy habits.

YOUNG CURATORS AT MRIS MOHALI: 27.07.2023

Young curators of Grades 2–5 customised incredible nameplates using twigs, leaves, pebbles, shells, and recycled material. The customised nameplate was not just a nameplate but it was a part of their identity. This activity not only enhanced their imaginative and creative skills but also made them appreciate the usage of sustainable items to create decorative things.

SPORTSTER OPEN HOUSE AT MRIS MOHALI: 30.07.2023

As the world emphasised the importance of education in a child's journey to become a balanced and mature individual, we have also come to understand the role of maintaining our physical and mental well-being. Sports play the role of a catalyst by complementing the kid's ability to focus as well as learning about teamwork and perseverance. We at Manav Rachna International School, completely advocate the importance of sports in student's life. We have collaborated with Sportster to provide best experience to our students. Sportster Open house was held at school. Ms. Taruna Vashisht, Principal MRIS Mohali addressed the parents followed by the heads of Sportster. During this interactive session, parents shared their feedback and got their queries pertaining to sports resolved. Parents met individual coaches and got feedback on the performance of their ward.

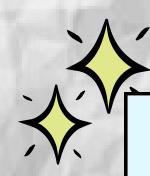

कविता

मैया मेरी तुम ही हो जननी।
तुम्हीं हो मेरी पहली गुरु ।।
तुम्हारी प्यारी आँखों में झाँका।
वहीं से हुई मेरी जिंदगी शुरु।।
उँगली पकड़ कर चलना सिखाया।
बुलंद हौंसलों के संग जीवन जीने का पाठ पढ़ाया ।।
गुस्सा करती है तो लाड भी यही है लगाती।।
कान पकड़ती है तो जो़र की झापड़ भी है लगाती।।
मेरे जीवन का आधार भी यही।
करुणा,दया और प्यार भी यही।।
तुम हो मेरी प्यारी मैया।
मेरी प्यारी मैया,

Students pay homage to martyrs on Kargil Vijay Diwas

chna International
School, Mohali,
remembered the
gallant efforts and sacrifices
made by the Indian Armed
Forces who fought in
the 60-day-long 'Operation
Vijay'.

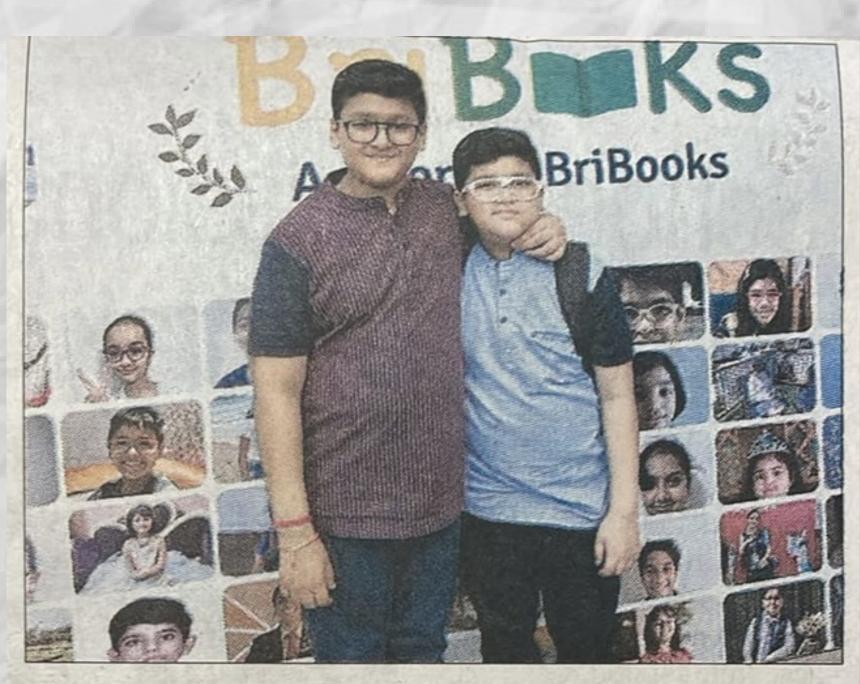

With this spirit of nationalism, the students of class III conducted a special assembly where they pre-

sented an enactment, sang patriotic songs and shared facts about Kargil Vijay Diwas.

Through this assembly, students paid homage to all Indian soldiers, expressing their gratitude to them for being the reason the country and countrymen can sleep at night, knowing that they are guarding the frontier.

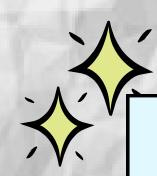

MRIS, Mohali

Two students of the school have proven their mettle in a writing challenge organised by Bribooks. They both participated in the summer book writing festival. Aatreya, student of Class III, bagged the second position and Agastya, student of Class VI stood third in the state challenge. As a reward money, Aatreya received gift vouchers worth ?2,000 and Agastya ?1,500 for their captivating stories.

creativity. These activities, which combined the use of colours, paints, leaves, sponges, brushes and pom (to poms name few), were just what the students of the Foundational Years needed to get into their element and produce artistic

Manay Rachna International School, Mohali

'Green Day' was celebrated with great zeal and enthusiasm by little students of the school. Students and staff came to the school dressed in pretty green attires that looked so eco-friendly. The children were encouraged to identify green objects from their immediate surroundings. Many activities and games pertaining to the colour of the day were organised for the little ones.
