

# Manav Rachna International School, Mohali

The school hosted an engaging 'Meet and Greet' session, designed to bridge the gap between parents and the school's leadership. The lively event created the perfect platform for current and prospective parents to engage in meaningful dialogue with the dynamic leaders at MRIS. Parents arrived in large numbers, eager to explore opportunities for their children's future. The spotlight was on the leadership team, including Sanyogita Sharma, Director of Manav Rachna International Schools; Achint Sandhu, Headmistress of the Senior Wing; and Kanika Nikhanj, Headmistress of the Foundational Stage. Along with a student and parent representative, they captivated the audience with a series of insightful conversations, addressing every query with openness and clarity. While parents engaged in the interactive session, the accompanying children were treated to a range of fun-filled activities, showcasing the hands-on learning that MRIS is known for. The afternoon culminated with an exclusive school tour, leaving parents with a glimpse of the inspiring world their children could soon be part of.
